

APRIL IS CLEAN UP MONTH IN BUSHNELL FOR RESIDENTIAL REFUSE CUSTOMERS WITHIN THE CORPORATE CITY LIMITS

During the month of April 2017, residential city customers can take advantage of misc. trash pick-up at no additional charge.

Any work done by a contractor for roof work or other must be disposed of by that contractor and does not qualify for free hauling.

Follow these simple steps to take advantage of your free residential pickup during clean up month:

Debris and Trash **must** be separated into the following categories, and will be picked up at different times:

- a. Metals
- b. Carpets/Plastics/Furniture/Mattresses
- c. Building Materials: Boards, Sheet Rock, etc;
- d. Brush/Leaves/Trimmings: All Required to be boxed, bagged or bundled up into no longer than 4ft. bundles.

Not following these guidelines could impose a charge to your account for the pick-up and disposal.

ABSOLUTELY NO HAZARDOUS MATERIALS

- a. No Paint - unless can is empty and dry with the lid off.
- b. No LP Gas tanks.
- c. No Chemicals.

NOTE: Similar materials will be picked up together and driver may leave other types of material in the same location for a later pick-up.
